(THAT'S RIGHT FOLKS - THE SHOW'S NOT OVER UNTIL THE FAT LADY SCREAMS)

...the mystery of the woman and of the beast that carries her, the beast with the seven heads and the ten horns. The beast that you saw existed once but now exists no longer. It will come up from the abyss and is headed for destruction. The inhabitants of the earth whose names have not been written in the Book of Life from the foundation of the world shall be amazed when they see the beast, because it existed once but exists no longer, and yet it will come again. Revelation 17:7
