Jesus said that Truth would set us free. In the beginning Almighty God made all things and gave all living things life through His Word. By the same Word, He entrusted to mankind in a perfect world a fundamental Law of perfect love that instilled in us a conscience based morality that sets us above the animals, giving to us a free will to obey and love Him. Having broken that Law and having in our hearts the darkness of sin, lust, anger, hatred and war - we are separated from our Maker, from His Eternal Word and from His perfect desire for love and peace with all mankind. To recover what belongs to Him, God sent his Word, Jesus Christ His only begotten Son, into our world born of a virgin. He in his flesh was condemned to die for our sin in our place. God literally buries the embodiment of His Word that is the 'Law' (which defines our sin) and the ensuing 'Sentence of Death' perishes as well. The just for the unjust, God alone is just. His Word is true. Either the Eternal Word that condemns us dies or we eternally die. God's love and justice, forgiveness and vengeance - are perfect. He is trustworthy. The same Word with a new covenant of 'Grace and Truth' is resurrected and ascended into heaven to show us the Way to die to self and live for God. God now commands all men to turn from our prideful independence and put absolute trust in Jesus Christ His Word.

Jesus states that to enter heaven we must be 'born again' by the Spirit of God. Being 'born again' gives a new life of personal sacrifice that directly opposes self-centred materialism and any fear of death. We get a new heart and a new mind in a Christ-centred existence that restores our life on earth with the sure hope of heaven in the hereafter. All of our sins are forgiven. The new birth is a spiritual relationship of accountability to God alone, in a Spirit of resurrection power. You don't need crackpot religion. Turn off the mass-media input and turn to the Lord God who by His Word made you and loves you. Christ's answer to our religious turmoil is found in His example of sacrifice. In dying for us as the 'Lamb of God' Jesus defeats our sin - and by His resurrection, He conquers death on our behalf. But the choice is yours. God is love. God cannot and will not make you love and obey Him. God's Son, the Lord Jesus Christ understands our chaos but He doesn't mince words. It's an individual, heaven or hell decision. Get a good literal translation of the Bible and read the Gospel of John first. Pray to our Father in Heaven 'in Jesus Name' for the Spirit of Christ to reveal His Truth and may God have mercy on us in our deluded and tragic world. God save us. God help us. God Bless!

Monozygotic as identical twins occur when a single egg is fertilized to form one zygote, (hence, 'monozygotic') but then divides into two separate embryos with the two first cells of human existence.

Progenitor (first) cell DNA is prescriptive information for physical outcome hence the two babies will be identical twins. If this first cell is to be female, microbiologists can count the number of eggs she will let down in the course of her adult life. This type of information encoded into the first cell of human existence doesn't happen by random chance. Darwinism is dead. Evolution is a social parasite that cannot be culturally redefined. The existence of God and His Word, (information from God) in the creation and co-dependency of all life on planet earth is again self evident.
